📍 **Home:** Shahapara, Thakurgaon Sadar, Thakurgaon, 5100 Thakurgaon Sadar (Bangladesh)

ABOUT MYSELF

I'm a Mechanical Engineering student at KUET. Not a pro, but I've got a decent grip on 3D modeling and 2D drawing—enough to make things work, maybe even impress a little. I'm not just about gears and graphs though; I've got a sense of humor tucked in my toolbox.
